As Fran put pots of paint on every bench, Stan gave her a push and a thick blob of red fell on the mat with a plop. Fran was upset.

“What a mess!” Miss Grit began to snap again. “Get the brush Fran, scrub up every spot of red and then mop that mat! You will not do that job again. Stan can do it.” Stan made fun of Fran and gave her a big grin.

Later, when it was time for lunch, the class sat down to eat.

Scot fed on a fresh ham and cress roll. Bren had a bun with plum jam in. Fran tucked into a bag of nuts and Trish took swigs of fresh apple juice. Miss Grit went to get a hot cup of tea.

Crunch, the goat, sniffed the **smell** of **lunch**.
He wanted to **munch** the **bun** and **crunch** the
nuts, but the **strap** stopped him.
